BEYOND THE CULTURE OF CONTEST

George Ronald. Paperback. Book Condition: New. Paperback. 247 pages. Michael Karlberg put forward the thesis that our present culture of contest is both socially unjust and ecologically unsustainable and that the surrounding culture of protest is an inadequate response to the social and ecological problems it generates. How can social change come about Is it possible to have democratic government without political parties Can we have a productive economy without unfettered and aggressive competition How can social and ecological ills...
