Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from England The ocean steamer drops anchor in the river Mersey, and the tourist is in Liverpool. Let him take the Great Western Railroad and spend a day in quaint old Chester, a day at Stratford-upon-Avon, and see Shakspeare s tomb and house, and a day at classic Oxford. And then - London! London as it is. London is the metropolis of England, and the greatest city of the modern world. It lies on both banks of the river Thames. Every thing about the city is on a gigantic scale. It is the financial center of the world, and the political and commercial center of Great Britain and her numerous colonies. Its population has doubled within fifty years, and the greater part of the city has been rebuilt within the past century. It now covers 122 square miles, numbers 7,400 streets, and 530,000 buildings, and its present population is about four millions. There are in London more Scotchmen than in Edinburgh, more Irish than in Dublin, more Jews than in Palestine, and more Roman Catholics than in Rome. From May to July is the season when crowds of visitors are to be seen. In three weeks the diligent tourist can see the principal objects of interest, though many weeks can be spent to advantage. An American will pay repeated visits to Westminster Abbey among the tombs of the illustrious dead. The Tower, the British and South Kensington Museums, with their unrivaled treasures; St. Paul s Cathedral, the Houses of Parliament, and the National Gallery of Art, are most attractive places. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more...
