Pages Number: 312 Publisher: Zhejiang Children's Publishing House Pub. Date :2009-8-1. The purpose of language teaching is to improve students' language literacy. Because writing is a comprehensive reflection of language literacy, the writing is a measure of students' language proficiency is often an important indicator. How to improve students' writing skills, has been troubled teachers, parents and students is a major problem. The current biggest problem is that students fear writing. Writing phobia Communication has become the language teaching healing of chronic repeated administration. More seriously, when writing in the language in the position occupied an increasingly important share of various types of language test scores in writing more and more, the writing phobia on the rise. Some people even said the biggest drawbacks of the current teaching writing is that teachers teach writing more and more afraid, more afraid of writing students. For this reason, many language teachers and language educators have made useful explorations. Tao Tao on behalf of the Han and co-operation of Mr. Sibelius two Paradise • essay writing skills training project, summed up the success or failure of the current teaching writing, trying new ideas under the guidance of writing to build a strong operational capability training system, and design a new curriculum that combined, and new materials coincide practical and effective writing training systems engineering, for the majority of primary and secondary schools to build a big stage show talent. Two ceramic heart have complementary advantages, painstakingly conceived, well-written, several drafts, and finally into a book. Contents: fifth grade papers on the subject 20 years after the first students at the second story of the third feature special stationery themes mouth of the...
