Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Dragons are amazing creatures, with an epic legacy throughout myth, legend, and RPGs, but when heroes rise to the heights of mythic power sometimes the dragons in your campaign are the ones running for cover. The mythic rules for the Pathfinder Roleplaying Game offer an amazing toolkit for building exciting and amazing monsters, but the balance of power is still decidedly pro-PC. NO MORE! Path of Dragons from Legendary Games brings you nearly 70 new mythic abilities specially tailored for the scaly suzerains of monsterdom, including a host of abilities suitable for every kind of dragon, from clinging breath to impenetrable scales and from winged tempest to strafing breath. In addition to this array of abilities both offensive and defensive, Path of Dragons also brings you rules for new Dragon Paths: focused clusters of special abilities built around key themes of dragonhood, from a miser dragon s fool s gold, hoard crawlers, and jeweled coat to a tyrant dragon s mythic minion, imperious glare, and cult of the dragon! These Dragon Paths work in concert with existing mythic abilities and can be applied to any mythic dragon of any age, color, or species, because you just might need an cunning green dragon sibilant, a hulking white dragon titan, a brilliant blue dragon arcanus, a stoic silver dragon watcher, or a soaring brass dragon skylord. Good or evil, chromatic or metallic or something else, every dragon in your campaign will find something to smile about in Path of Dragons. Mythic dragons are great, but now it s time to Make Your Dragons Legendary! The Mythic Path series from Legendary Games looks to fill in the niches that are not...
