Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the latest publication from Word Power games (.com) being a dedicated book for the unique and original game AtOmIK - with game variations included. The ultimate word/number game? That s for you to decide. but it is an all embracing number crunching and word compilation game designed to put your skills through the wringer ! As with all my games at Word Power Games, they are designed so each player provides their own solutions. I give you the game, the grid and some starters - the rest is up to you, your numerical and vocabulary skills! AtOmIK is inspired by the Periodic table and the elements, together with the atomic numbers. So in this game you use the symbols as single letters or pairs to form your words whilst referencing my AtOmIK TaBLe . Here you will also see the numbers you use to try and attain the AtOmIK number totals - which is the crux or objective of pretty much every game (aside from one or two variation games) Once you have played AtOmIK you will be hooked. you might need a rest in between games though! Of course that depends how insatiable your appetite is to be challenged and pit your skills to the max. Rest assured every game will be unique to each and every player, which is a very original feature in word games. If you love word games then AtOmIK is a must try. so give it a try and see how you fare. I m sure you will be pleasantly surprised how addictive it can be. how resourceful you can be. and how diligent you will be in finding the...
