Summary: " The Naked Pint is a great read for anyone interested in all things beer-from beer style descriptions to cooking with beer to brewing your own beer at home. Like a Beer 101 textbook to amp up your brew IQ, if only textbooks occasionally made you laugh out loud. The authors know their stuff; they understand and convey the notion that beer can be complex without being overly complicated, and they take beer seriously but don't take themselves too seriously. The Naked Pint is, um, revealing." -- Sam Calagione, president and founder of Dogfish Head Craft Brewery "No one turns people on to beer the way that Christina and Hallie do. Along with their passion and expertise, they bring a wit and levity that exemplify the renegade spirit of craft beer." -- Greg Koch, CEO and co-founder, Stone Brewing Co. "I have always loved beer without knowing much about it. I learned a lot in this factual, enlightening, and funny guide to one of the oldest and most cherished beverages known to man." -- Jacques Pepin cookbook author, cooking teacher, and PBS cooking series host "Whether you want to brew at home, belly up to the bar with confidence, or make magical pairings at the dinnertable, The Naked Pint makes learning about craft beers as fun as drinking them. You'll be a savvy sipper after reading this educational and engaging book." -- Leslie Sbrocco, PBS television host and author of Wine for Women "An incredibly satisfying read! This books gets better-looking on every page. From Pale Ale to Weizen, The Naked Pint covers all of beer's finer points in a fun, witty, and approachable manner.
