Brand New Book ***** Print on Demand *****.Have you ever wondered if God answers your prayers or if you are praying the right way ? How to Pray, and See God s Answer in the Clouds Above explains both the proper methods of praying as well as a new way to see God s answers to your prayers. Franklin A. Tyler Jr. has studied prayer for more than twenty-five years and has interviewed thousands of people around the world in order to provide spiritual guidance to those who want to correctly interpret God s communication. Tyler discusses the differences between how God talked with man during biblical times and how He communicates with today s spiritual seekers. By compiling a list of his interviewees problems, how they prayed, the different clouds they viewed, and the meanings of each cloud formation, Tyler is able to provide specific examples that will help you interpret the answers to your prayers. A detailed dictionary of letters A-Z and their religious meaning is included that will help you both see and analyze cloud shapes. So if you are on a spiritual journey to seek answers, lie down on the grass, put your arms behind your head, and stare upwards, because your answer is in the clouds.
