By Gerald Shingleton

Authorhouse. Paperback. Book Condition: New. Paperback. 484 pages. Dimensions: 10.8in. x 8.0in. x 1.1in. This handy desk reference illustrates proper methods for producing exceptional work for practicing design professionals. Students and those involved with residential construction will also find this valuable as a desk top source of information. It is a CYCLOPEDIA of advice and data to save time in searching for techniques, facts, basic rules, and examples. This collection is uniquely written in outline format to eliminate excessive and useless content and for quick reference to reduce the time spent searching, thus increasing production time. An effort has been made to limit this reference to everyday answers to questions that arise for residential work. Everything is covered from marketing, contracts, design programming, due-diligence reports, planning, details, production drawings with notes, schedules, and specifications, structural analysis, and EXAMPLES. This manual will be found to be helpful because it assists in reviewing progress in the various areas of practice, developing full comprehensive services and producing complete contract documents. There are 10 distinct sections comprising over 450 pages of information. GENERAL: Client acquisition; Fee Schedule; Written Agreements; Due-diligence reports; Design programming; Design Principals CIVIL: Grading Plans; Tree Protection; Erosion Control; Septic Systems ARCHITECTURAL:...
