Safe Computing Is Like Safe Sex: You Have to Practice It to Avoid Infection (Paperback)

By Lowe Jr G Richard, Richard Jr Lowe

Writing King, United States, 2015. Paperback. Book Condition: New. 278 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.I ll bet you think your computer is safe from viruses and hackers. But is it really? Isn t it reasonable to expect your computer to be secure straight out-of-the-box? What does it mean to secure a system anyway? Huge security breaches have been all over the news lately. It sometimes seems that not a day goes by without another massive computer hack being announced. If huge corporations with multi-million dollar computer security budgets can get hacked, what hope is there for the ordinary person? If you are anything like me, you don t have huge amounts of money and time to spare to protect your computer. So how do you keep your system safe? This book is intended to help the average Windows user protect their computer. You can practice safe computing without using your life savings. You don t need to get a university education to understand the concepts, and there is no need to lose your weekends twiddling with your computer system. The data which resides on the computer is often far more valuable...
