

Their Trade is Treachery: The Full, Unexpurgated Truth About the Russian Penetration of the World's Secret Defences

Filesize: 8.14 MB

Reviews

The most effective pdf i ever read through. I am quite late in start reading this one, but better then never. Its been developed in an exceedingly simple way in fact it is only soon after i finished reading through this pdf by which in fact altered me, modify the way i think.

Biteback Publishing. Paperback. Book Condition: new. BRAND NEW, Their Trade is Treachery: The Full, Unexpurgated Truth About the Russian Penetration of the World's Secret Defences, Harry Chapman Pincher, Harry Chapman Pincher is regarded as one of the finest investigative reporters of the twentieth century. Over the course of a glittering six-decade career, he became notorious as a relentless investigator of spies and their secret trade, proving to be a constant thorn in the side of the establishment. So influential was he that Prime Minister Harold Macmillan once asked, 'Can nothing be done to suppress Mr Chapman Pincher?' It is for his sensational 1981 book, Their Trade is Treachery, that he is perhaps best known. In this extraordinary volume he dissected the Soviet Union's infiltration of the western world and helped unmask the Cambridge Five. He also outlined his suspicions that former MI5 chief Roger Hollis was in fact a super spy at the heart of a ring of double agents poisoning the secret intelligence service from within. However, the Hollis revelation was just one of the book's many astounding coups. Its impact at the time was immense and highly controversial, sending ripples through the British intelligence and political landscapes. Never before had any writer penetrated so deeply and authoritatively into this world - and few have since. Available now for the first time in thirty years, this eye-opening volume is an incomparable and definitive account of the thrilling nature of Cold War espionage and treachery. The best collection of military, espionage, and adventure stories ever told. The Dialogue Espionage Classics series began in 2010 with the purpose of bringing back classic out-of-print spying and espionage tales. From WWI and WWII to the Cold War, D-Day to the SOE, Bletchley Park to the Comet Line this fascinating spy history series brings...
