L27 2010b OCLC Number: (OCoLC)732342880 Subject: Educational law and legislation -- United States. Excerpt: . . . 11 We have a comprehensive agenda to help us meet that goal. It starts with asking States to adopt standards that prepare students for success in college and careers. Governors and chief State school officers of 48 States are doing the tough job of set-ting these standards in reading and math. In our proposal, we call on States to adopt college and career ready standards - either working with other States or by getting their higher education institutions to certify the standards are rigorous enough to ensure students graduate ready to succeed in college-level classes or enter the workplace. But standards arent enough. Well need a new generation of assessments that measure whether students are on track for success in college and careers. We will support the effort to develop those tests so they will measure higher-order skills, provide accurate measures of student progress, and give teachers the information they need to improve student...
