

## Deferring a Dream Literary Sub-Versions of the American Columbiad International Cooper Series in English Language and Literature

By Gert Buelens

Birkhäuser Basel. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. The essays collected in this volume foreground the hegemonic and power-related aspects of some basic New World dreams: the dream of discovering a terra incognita, the dream of gaining dominion over a virgin land, the dream behind the making of the United States. The focus of the contributions is on Native American, Caribbean, African-American, Jewish American, and New Zealand texts that highlight the contrast between the reality of colonisation and exploitation, and its ideological framework; and question the rhetoric of such texts as Columbus Diario and Franklins Autobiography. Inevitably, gender issues occupy a central place in the book. The original forum for most of the papers was a workshop the editors convened at the 1992 Seville conference of the European Association for American Studies (EAAS), which was devoted in its entirety to the American Columbiad. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
