The development of meaningful relationships, where every member carries a significant sense of belonging, is central to what it means to be the church. So why do many Christians feel disappointed and disillusioned with their efforts to experience authentic community? Despite the best efforts of pastors, small group leaders, and faithful lay persons, church too often is a place of loneliness rather than connection. Church can be so much better. So intimate and alive. The Connecting Church tells you how. The answer may seem radical today, but it was a central component of life in the early church. First-century Christians knew what it meant to live in vital community with one another, relating with a depth and commitment that made 'the body of Christ' a perfect metaphor for the church. What would it take to reclaim that kind of love, joy, support, and dynamic spiritual growth? Read this book and find out.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
