Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE MAYAN DESIGN BOOK

Stemmer House Publishers Inc.,U.S. Paperback. Book Condition: new. BRAND NEW, The Mayan Design Book, C. Caraway, The design of the Mayans rival in artistry those of any other great culture of the world -- yet how incredibly exotic and mysterious they seem in their imagery and symbolism. The intricacies of the designers' skills offer exciting challenges to all artists and craftspeople, who can now translate these masterpieces into crewel, needlepoint, woodblocks, stencils, wall hangings, richly coloured paintings -- any number of possibilities. Every one of these pages offers a rich feast for the imagination.
