

Social Media Management Mapping for Successful Branding Business Development: A Guide to Choosing the Best Social Media and Mapping Out a Strategy (Paperback)

By Dawn D Boyer Ph D

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book about social media management explains and outlines the research, planning, and scheduling process after you have identified your target audience. The book also offers 400+ URLs for other lesser-known social media platforms for review and consideration for niche markets. This guide is short enough to get to the point, but long enough to provide valuable insight. When you strive to increase market presence for an entrepreneurial effort - or you want to expand branding for yourself as a subject market expert (SME) - social media can do the trick. Be careful though. Professional social media management is not posting your daily meal activities and continuously reposting other people's videos or cat photos. Create your content, photos, videos, and polls to draw others to you like a moth to the light. Social media management is a process used to market, brand, and advertise to establish recognition and the trustworthiness of a business or person's reputation on social media platforms. Social media management is most importantly developing a plan to research your target market audience. It...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
