Brand New Book ***** Print on Demand *****.Making an income while you sleep seems virtually impossible. With the average American adult working over forty hours a week to create an income, it seems like a fantasy to assume that you can make paychecks while not actively working. However, there is a real, solid way to make money without working long weeks, and many people are using this as their primary and only source of income. We're talking about passive income, or money you make without having to go out and earn it. At a traditional job, you work a certain amount of hours and you get paid accordingly, based on your salary or hourly rates. With passive income, the amount of money you can make is limitless, and you don't necessarily have to work longer hours to achieve it. Creating a passive income through a website or blog is one of the easiest and most cost effective ways to make money while you sleep. Discover the truth behind this lucrative business, and how so many people are able to put food on the table and live the lives they want without working a 9 to 5. You'll get real strategies and a real guide for creating the website and business you want, tips on how to choose the business that's right for you, and advice on how to maximize your profits to keep the money flowing. There's no get rich quick scheme or crazy secret method, but a real, practical solution to building the online business you want so you can acquire the money and lifestyle you deserve. This guide goes in depth into the actual strategies passive income specialists...
