## UWE OMMER: DO IT YOURSELF

Taschen, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Inspired by a babysitter he surprised in front of the bathroom mirror shooting pictures of herself with his Polaroid, photographer Uwe Ommer decided to put together a book of erotic self-portraits by inexperienced photographers. Arming participants with cameras and basic technical instructions, Ommer asked them to photograph themselves in any way they pleased--liberated, so to speak, from the voyeuristic eye of the photographer. Some chose to use mirrors as they captured their portraits, while others braved the camera without the help of their reflections. While many subjects required no intervention by Ommer, for others he acted as "ghost photographer," helping them with the lighting and setup; in both cases, the models were free to indulge their inspirations in any ways they pleased--from sexy and provocative to romantic to simply being themselves.
