Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dominic Collins)

THE DEAD SECRET

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Dead Secret, Wilkie Collins, Ira B. Nadel, "Oh, my God! to think of that kind-hearted, lovely young woman, who brings happiness with her wherever she goes, bringing terror to me! Terror when her pitying eyes look at me; terror when her kind voice speaks to me; terror when her tender hand touches mind!" Porthgenna Tower on the remote western Cornish coast. Moments before her death, Mrs Treverton dictates a secret to her maid, never to be passed to her husband as she had instructed. Fifteen years later, when Mrs Treverton's daughter, Rosamond, returns to Porthgenna with her blind husband, Leonard, she is intrigued by the strange and seemingly disturbed Mrs Jazeph's warning not to enter the Myrtle Room in the ruined north wing. Strong-minded and ingenious, Rosamond's determined detective work uncovers shocking and unsettling truths beyond all expectation. A mystery of unrelenting suspense and psychologically penetrating characters, The Dead Secret explores the relationship between a fallen woman, her illegitimate daughter, and buried secrets in a superb blend of romance and Gothic drama. Wilkie Collins's fifth novel, The Dead Secret anticipates the themes of his next novel, The Woman in White in its treatment of mental illness, disguise and deception, and the dispossession of lost identity. Yet a series of comic figures offsets the tension, from the dyspeptic Mr Phippen to the perpetually smiling governess, Miss Sturch. Displaying the talent and energy which made Collins the most popular novelist of the 1860s, The Dead Secret represents a crucial phase in Collins's rise as a mystery writer, and was his first full-length novel written specifically for serialization. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume...
