AHCCCS is a Medicaid demonstration project set up to develop and test health care cost control innovations. GAO found that many AHCCCS health plans have not complied with federal disclosure requirements intended to determine the appropriateness of ownership and control arrangements and related-party transactions, raising questions about: (1) the availability of federal funding for health plan operations during the periods of noncompliance; and (2) continued federal participation in AHCCCS health plans that have not complied. GAO also found that AHCCCS and the Health Care Financing Administration (HCFA) have not ensured compliance with the disclosure requirements before awarding and renewing contracts.
