BURNING KINGDOMS (PAPERBACK)

Simon Schuster Books for Young Readers, United States, 2016. Paperback. Book Condition: New. Reprint ed.. 208 x 137 mm. Language: English . Brand New Book. Danger descends in the second book of The Internment Chronicles, from the New York Times bestselling author of The Chemical Garden trilogy. After escaping Internment, Morgan and her fellow fugitives land on the ground to finally learn about the world beneath their floating island home. The ground is a strange place where water falls from the sky as snow, and people watch moving pictures and visit speakeasies. A place where families can have as many children as they want, their dead are buried in vast gardens of bodies, and Internment is the feature of an amusement park. It is also a land at war. Everyone who fled Internment had their own reasons to escape their corrupt haven, but now they are caught under the watchful eye of another king who wants to dominate his world. They may have made it to the ground, but have they dragged Internment with them?.
