BUTTERFLY FARMER (PAPERBACK)

Friesenpress, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Poetry is about observation, imagination and seemingly non - sequential connections. So it is with this collection divided into three overlapping sections - nature, humans and eclectic matters in between. Some of the poems are written in the traditional rhyme and rhythm motif; most others are much less constrained with a variety of styles and expressive templates. In any case, poetry is very much like Art - a matter of personal experiences and taste. Hopefully, this work has a sufficient combination of language, structure and versatility to strike a resonance with the reader.
