Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the first collection of poems from the mind and upset stomach of Robert Kempton. His subject matters range from moody teenage years to late night delirium-normally disregarded. Please excuse his juvenile formatting and his contrived analogies peppered throughout the book. Actually just read the beginning, the acknowledgements are wonderful. But back to being serious. While assembling this collection, I noticed a pattern: most of my poems were written in the first person. Acknowledging this fact, I attempted to create a narrative with the good ones. This is a story about a boy who found love, lost love, etc. etc., with a poetic twist. The book is broken up into four parts: Light, Dark, Dreamy Dystopia, and Bonus Tracks. Please Enjoy!.
