Book Condition: New. Ships From Canada. Trade paperback (US). Glued binding. 224 p. Chocolate, 6. Audience: Young adult. From School Library Journal: Grade 7 Up-A collection of very short stories by a wide range of female contributors. All of the selections are light; they do not deal with any controversial or gritty subjects. The entries in the ""Teen Mischief"" section, for example, include a tale about a girl's first experience showing her stubborn pig, another about a young woman's introduction to shaving her legs, and one about a teen convincing her mother to join her on an amusement-park ride. The authors come from diverse backgrounds, from a Broadway producer to a 13-year-old first-time writer; they are professional women, mothers, daughters, teachers, and students. The variety of voices adds an interesting texture to this confection. Will these stories warm a teen's heart and bring her hope, strength, and wisdom? Perhaps, but they offer frothy, sugary fillings instead of something rich and nourishing.
