Createspace, United States, 2013. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Let's start with a question: if you were diagnosed with lung disease, would you rather seek medical attention in a hospital or treat yourself with hydrogen peroxide? Ninety-nine percent of people would undergo hospitalization without blinking an eye. In fact, the very thought of trying an alternate treatment would never even cross their mind. If you're one of that ninety-nine percent, you're about to find out just how much you've been missing out on for the past several years of your life. Hydrogen peroxide, otherwise known as H₂O₂, looks mediocre and plain at first glance. It's sold in its liquid state, looks just like water, and is found in pharmacies across the country. Many people don't even notice it sitting on the shelves. However, after reading this book, you'll never look at H₂O₂ in the same way again. This book will show you how to use hydrogen peroxide to do everything from making the natural highlights in your hair stand out, to treating conditions as serious as arthritis. You'll learn how to administer H₂O₂ the right way - forget those rumors that H₂O₂ is dangerous. It's the perfect kitchen remedy, and it will make your life infinitely easier, as it did mine. If you're still feeling skeptical, I don't blame you. After all, there is no medical proof that hydrogen peroxide works, right? Well. Below is a quote from a doctor who has no doubt about the miracles of hydrogen peroxide. I consider the use of hydrogen peroxide one of the most important treatments in my medical kit bag. The hydrogen peroxide compound I use is made...
