Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

International Society for Technology in Education. Paperback. Book Condition: new. BRAND NEW, Interactive Whiteboards in the Elementary Classroom, Tony Demonte, (Interactive Whiteboards IWBs) are inherently social and participatory, drawing in many different types of learners, including those with disabilities. The flexibility and multimedia aspects of interactive displays naturally lend themselves to presenting material in diverse and reinforcing lessons. The author explores these topics, as well as motivation strategies, classroom management tips, and general guidelines for getting the most from your IWB. He then presents a wealth of tools and ideas that you can put to work in your classroom today. He explains how best to seek out a support base of other IWB educators, and he offers tips for incorporating the NETSS in lesson creation. Lesson sparks in the core subject areas aligned to Common Core Standards round out the book."
